1. **This timetable is the only official and authentic timetable for all GST examinations scheduled herein.** No other timetable or schedule issued at the faculty or departmental level shall supersede or replace this timetable.
2. **All examinations shall hold strictly as scheduled,** unless otherwise reviewed or adjusted by the Senate Committee on Space and Timetable. In the event of any approved change, the Directorate of General Studies shall duly communicate the update to all concerned.
3. **All students are advised to arrive at the examination venue strictly at their scheduled time.** Each batch shall be deactivated immediately after the scheduled time elapses. Any student who fails to take the examination at the approved time shall be deemed to have missed the examination for the semester/session and shall not be allowed to retake it. As the examinations are strictly time-bound CBT examinations, students who arrive very late, especially within the last 15 minutes of their scheduled session, may not be accommodated. Once a batch is deactivated, it cannot be reactivated.
4. **Students are strongly advised not to come to the examination venue with phones, bags, or other valuables.** The GST Directorate and invigilators have no provision for the safekeeping of personal belongings during the examination. Cases of missing items have occurred in the past due to careless handling by their owners. Accordingly, the GST Directorate shall not be held responsible for any missing item and shall not entertain complaints arising therefrom.
5. **The following items are strictly prohibited in the examination hall, and any student found with any of them shall be treated as having committed examination malpractice and shall be referred to the University Examination Malpractice Panel for appropriate action:**
